2027 GE HealthCare benefit, administered by Centivo

A premium health plan, without the premium price.

NOW YOU DON'T HAVE TO CHOOSE BETWEEN CARE AND BUDGET

FREE primary care	**FREE** mental health care	Same/next day-virtual primary care	High-quality providers	A doctor who guides your care

It all starts with your primary care doctor.

With Centivo, you get access to trusted local doctors and hospitals, **FREE** annual wellness exams, low coinsurance after the deductible and virtual primary, urgent and mental health care.

Why does it cost less?

The Centivo plans are built around a simple idea: **better primary care leads to better healthcare.**

Your primary care doctor is your partner. They help you manage your health, coordinate your care and connect you with the right specialists when you need them.

For most specialist visits, you'll start with a referral from your primary care doctor. This helps ensure you receive the right care at the right time, avoid unnecessary services, and keep your costs lower.

Centivo Basic PPO Plan

Lower deductible. FREE primary care (includes pediatrician visits) and mental health visits before deductible.

Centivo PPO Plan + HSA

Higher deductible, HSA-qualified. FREE primary care (includes pediatrician visits) and mental health visits after deductible.

Plus, Health Savings Account (HSA) qualified, with contributions from GE HealthCare if eligible.
